

MAKELARK

BRIDGE BUILDER

Build a route across islands while cutting off the best crossings for your opponent.

2 PLAYERS

AGE 8+

10–15 MIN

CONNECTION

HOW TO PLAY

1

Players alternate drawing one bridge between neighboring islands.

2

Bridges may not cross.

3

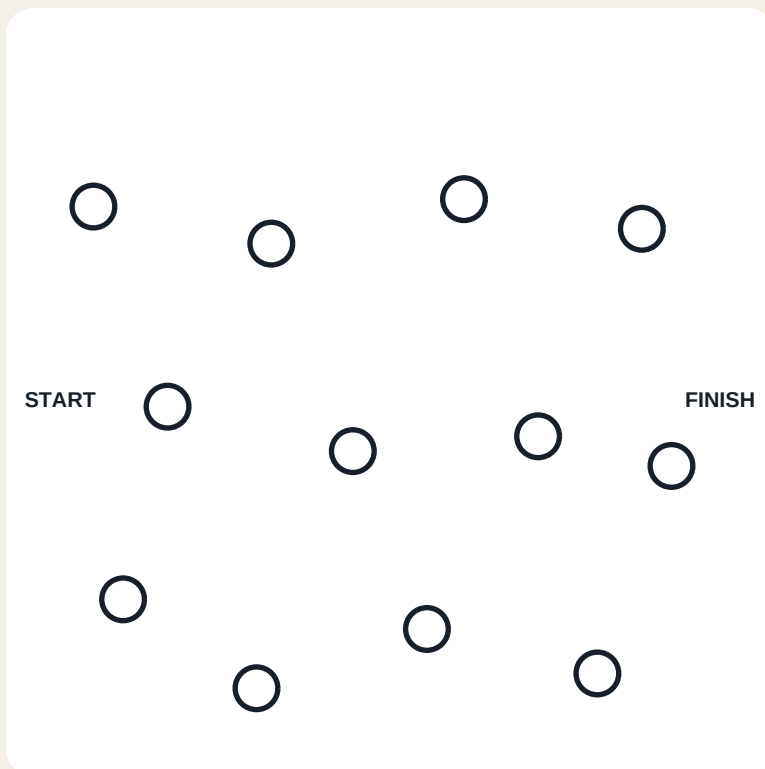

Your goal is to form a continuous route from your START side to your FINISH side.

4

An island may connect to several bridges.

5

The first player to complete a route wins.

WHAT YOU NEED

This sheet and two pens in different colors.
