

MAKELARK

LAST SQUARE

Remove spaces one by one and try not to be the player forced into the final square.

2 PLAYERS

AGE 7+

5–10 MIN

ELIMINATION

HOW TO PLAY

1

Players alternate crossing out 1 or 2 adjacent squares.

2

Crossed squares must share an edge.

3

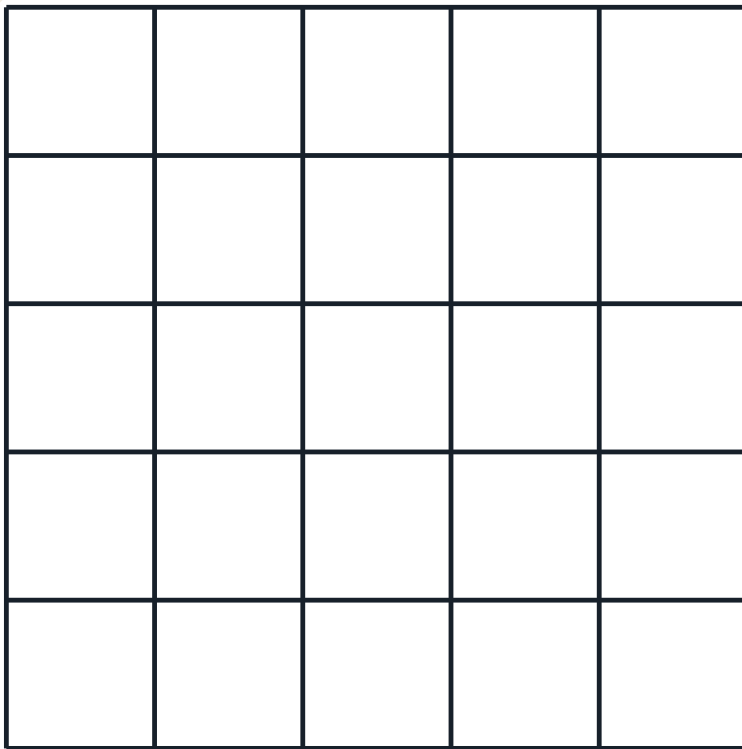

You may choose any remaining area of the board.

4

A player who is forced to cross out the final remaining square loses.

5

Plan ahead — small isolated spaces matter.

WHAT YOU NEED

This sheet and one pen.
