

# MAKELARK

## LINE HUNT

Claim points and hunt for hidden lines before your opponent spots them first.

2 PLAYERS

AGE 7+

10 MIN

PATTERN

### HOW TO PLAY

1

Players take turns circling one empty dot.

2

A player scores 1 point for each new straight line of 3 circled dots they complete.

3

Lines may be horizontal, vertical, or diagonal.

4

A dot may belong to more than one scoring line.

5

After all dots are claimed, the player with the most points wins.

### WHAT YOU NEED

This sheet and two pens in different colors.
