PATTERN

HOW TO PLAY

- 1
- Players alternate marking one empty square.
- 2
- Score 1 point whenever your new mark completes a 2x2 square containing exactly three of your marks.
- 3
- Score 2 points for completing a full 2x2 square in your color.
- 4
- Each 2x2 area can score only once per player.
- 5
- Highest score when the grid is full wins.

WHAT YOU NEED

This sheet and two pens in different colors.
