

MAKELARK

SPLIT DECISION

Divide the board with lines and try to leave yourself the larger side.

2 PLAYERS

AGE 9+

10–15 MIN

AREA CONTROL

HOW TO PLAY

1

Players alternate drawing one straight segment between neighboring dots.

2

Segments may not cross.

3

Whenever a closed area is created, the player who closed it claims that area.

4

Claimed areas cannot be divided again.

5

Largest total claimed area wins.

WHAT YOU NEED

This sheet and two pens in different colors.
